1: Turnbull E-4. 5 (1951-1955) 1965 FO4 Pygmies FO4
Mbuti

There are different types of knives, some hafted, some unhafted, always worn in the belt by women and used for preparing food and for sharpening the pointed sticks used by them in both gathering activities and in cooking. Other items that might be found in or around an Efe archer hut include hunting equipment, such as a bow and quiver of arrows (Figs. 6–9), a dog bell (Fig. 7i), an ax for cutting small saplings and sometimes used in the search for honey, an ivory or wooden beater for barkcloth, clay pipe bowls (Fig. 5), hide slings for carrying children, and a few personal possessions such as hunting charms. Of exceptional interest, perhaps, is the basketry press (Fig. 11), used among the archers for extraction of juice from fruits.

DRESS AND ORNAMENTATION

Clothing consists mainly of barkcloth worn tucked between the legs. The upper part of the body is rarely covered, and then only by a skin cape worn over the shoulders by old men. Basketry caps are worn by men, and sometimes fur bands which may also be worn on the arm. Schebesta also mentions bracelets of shredded bark. Both men and women may wear, around the upper arm or wrist, fiber cords to which small pieces of wood, teeth, and other charms are attached. Leaves, flowers, nuts, and feathers
